TANK SAFETY

**KEEP FULL.
BE SAFE.**

The Railroad Commission requires all propane gas companies to perform a leak test on all tanks before delivery and to ensure that tanks are properly secured during transport. Your propane supplier may have to charge for this service. Always check for leaks and safety before using your tank.

MAIL OR FAX: FAX your order to 512/463-7292, or detach this form and return your order to:
Railroad Commission of Texas, Alternative Fuels Division, P.O. Box 12967, Austin, TX 78711-2967.

QUESTIONS: If you have any questions concerning items in this catalog or our other services and programs, call our information helpline at 800/64-CLEAR. AFRED is available to answer your questions about propane. For additional information check out our website at www.propane.tx.gov.

ABOUT AFRED: The Alternative Fuels Research & Education Division was created in 1991 by the Texas Legislature and charged with researching and educating the public about propane and other environmentally beneficial fuels that can reduce air pollution in Texas. All of the division's current work concerns propane. In addition to researching propane's contributions to cleaner air, the division develops marketing, advertising, and informational programs to make propane more understandable and more readily available to consumers.

NO CHARGE FOR PROMOTIONAL MATERIALS TO TEXAS DEALERS.
